Six official minut achieved hero stat ponent from start t City High School the most closely contested championship in recent tournament history.

Mr. Jim Sanford was born August 4, in Iowa and grew up there. He attended East Waterloo High School and went on to major in PE at Northern Iowa College. Mr. Sanford wrestled while attending college and took first place in the NCAA Division 2 National Wrestling Championships.

He met Betty, a stewardess, in 1970 and they were married. They then made an addition to their family in the form of Mary E. Sanford who is now two years old.

He taught here at AC for seven years and first came here in 1970. He taught PE and became our wrestlers' coach. He's brought three district tournaments; two league championships and the 1977 State Wrestling Title, home to us. But more importantly he brought a special feeling to the students of Adams City High School. He gave us back our pride.

We have always believed in ourselves. We know we're human beings with feelings and emotions, but even the strongest person can become weak when he is continually battered with cutting statements.

We began to falter in our belief. Mr. Sanford showed us with his pride and spirit that we should be proud. It didn't matter if we won or lost our battles we were for real and we're here, now!

Mr. Sanford, Thank You.

Martinez' triumph gave the Eagles 65 points and left Alamosa with 60 and second place. Third was Douglas County, just one individual win short and 6½ points back, followed by Grand Junction Central with 51, Westminster with 50 and 49½.

Homecoming 1977

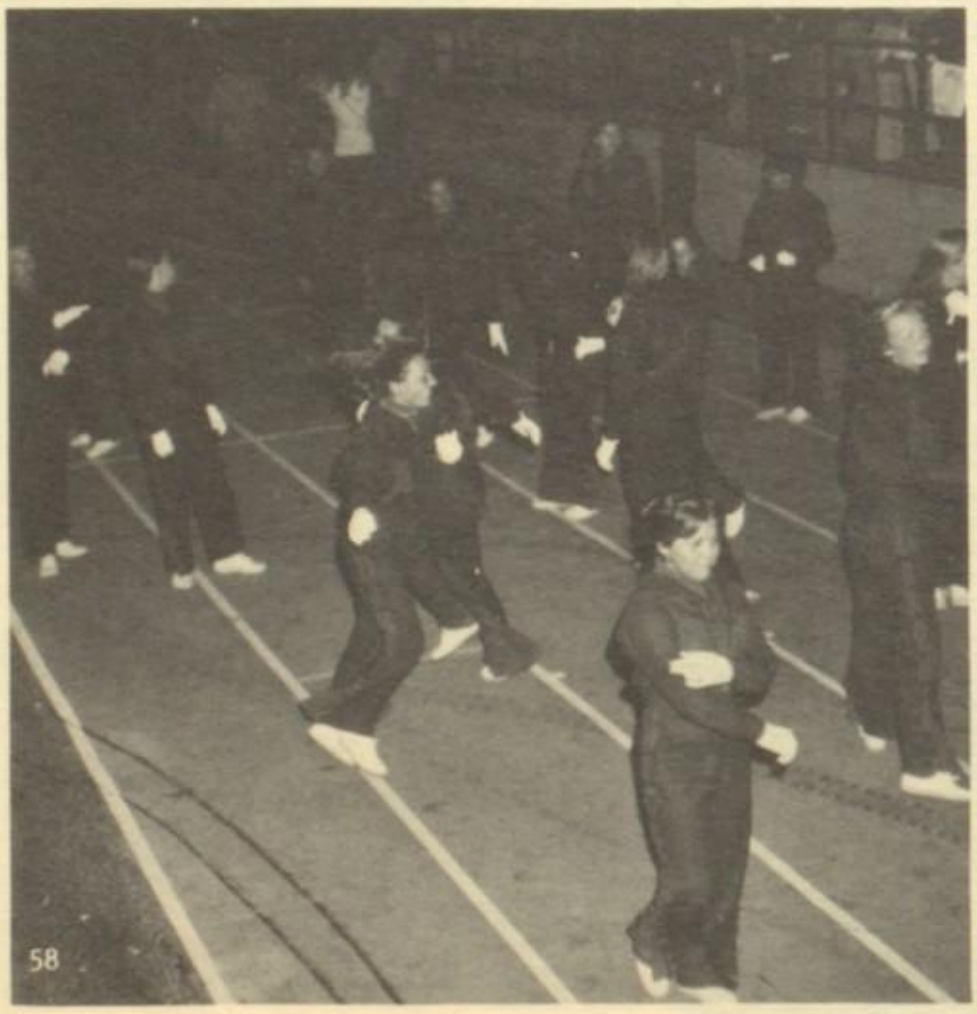
Homecoming Creates

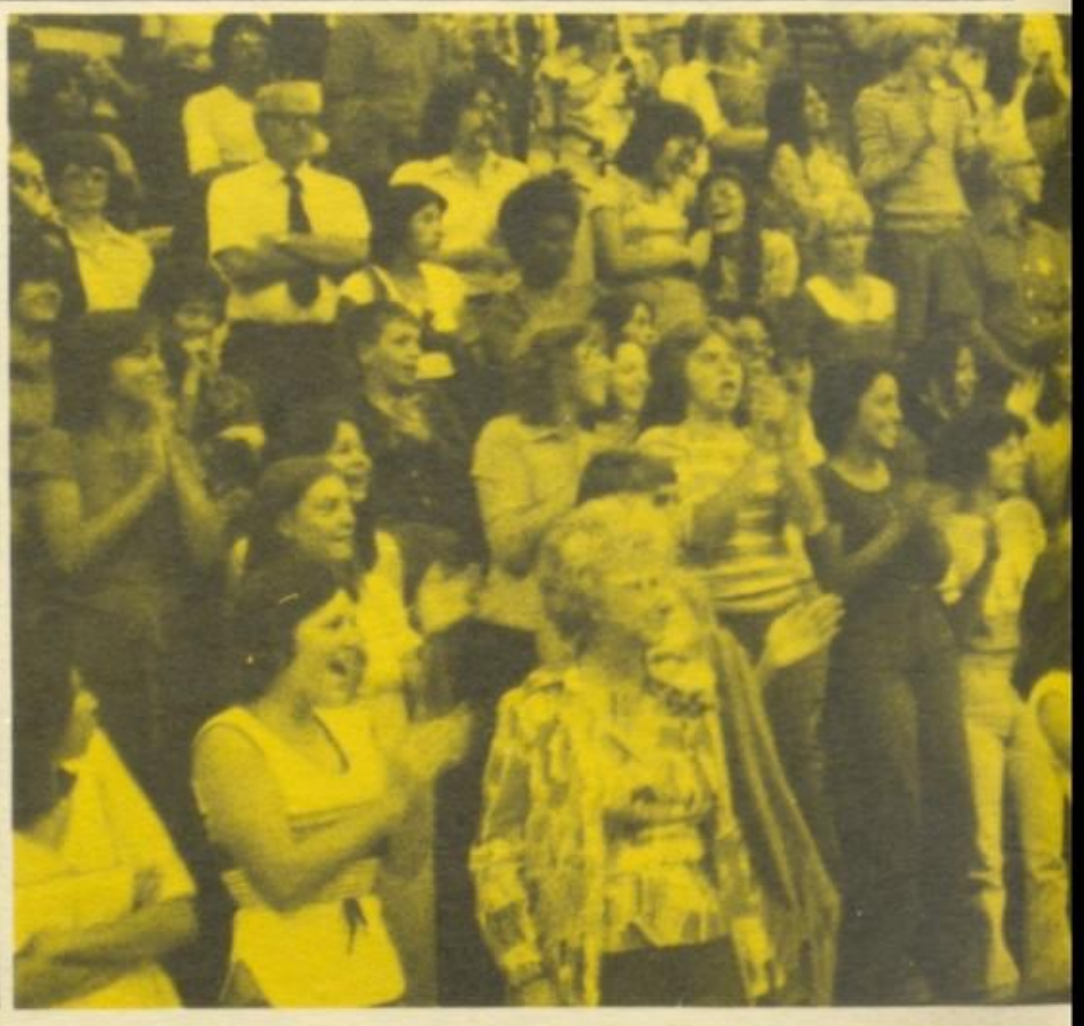
Homecoming 1977 came ringing in this year, when the week of September 26-30 was spent preparing for the Homecoming game to be held on Friday, September 30 at 7:45 pm against the Central Catholic Cougars.

Homecoming King and Queen were announced at the pre-game pep assembly. The winners were Joe DeaGuero and Cindy Dreiling. Other Royal Court members were: DeVonna DeMott and Jeff Wolfe: Tina Serrano and Frank Serafini: Brenda Waldman and Mark Lott: Cindy Baros and John Scaff. There were no runners up this year.

The Eagles steam rolled past the Cougars at the game to the tune of 41-0. This was the first time in six years that the Eagles have won a Homecoming game.

To finish up the week of fun, laughter, excitement and tears the annual Homecoming dance was held Saturday, October 1 from 9:00 to 12:00 in the cafeteria. Music was provided by Calliope.





Cherished Memories

The weeks activities included such things as the wheel barrel race with obstacles of peanut butter sandwiches and quarts of koolade and a penny hunt in a mountain of flour and a shoe race.

The seniors won the wheel barrel race, the sophomores took the shoe race and the juniors won the penny hunt.

Monday was Bell day. Tuesday was Opposite Sex day, where girls dressed like guys and the guys dressed like girls. The wheel barrow race was held at lunch. Wednesday was Crazy Socks and Suspenders day. Thursday was Hillbilly day. The penny hunt and shoe race were held at lunch. Friday was Green and Orange day, with the pep assembly fifth and sixth hour followed by the junior olympics, which consisted of a submarine eating contest and a people wrap. Anyone who wished to participate could have.

The peanut race held during the assembly was led by the juniors but the seniors put the heat on and came from behind to win it. The annual penny weigh in and spirit link contest was won by the juniors.

The class float competition was won by the seniors with the sophomores coming in second and the juniors taking third. The class spirit competition was also won by the class of '78. Sophomores took second place and the juniors took third.

A parade was held before the Homecoming game with many clubs, groups, athletic teams, students, teachers and administrators participating.

This was definitely a week for the ACHS Eagles.

Seniors Break Tradition

The Senior class of '78 broke a four year tradition when they took first place in the annual Homecoming class float competition.

This year's Sophomores took second in the competition, while the class of '79 took third place.

Many clubs participated in the parade this year among them were MECHA and VICA.

In looking back over the entire season we had so many unfortunate breaks go against us. We drove the ball down, we broke big plays only to be called back due to penalties. We started drives only to fumble. We went to the air only to be intercepted. We stopped most everyone only to give up 6 points to their big play.

The season was marked by working with the sophomore football team and seeing their personal improvement. Fundamentals, and the 3 "D's" dedication, desire, and determination were and are the name of the game.

Everything about the football program finished on a high note and a lot of us can hardly wait until next year. Our record of 5-4 was the only thing that was not as good as we expected. All three teams that beat us in league play are in the playoffs; and Golden (a nonconference game) had their best season in many years. All year we were just one game away from the playoffs.

Among the team's statistical accomplishments was being rated in the top twenty in the state. At one time we had the number one defense in the Skyline League and also we placed as high as the number two offensive unit in the league.

Characteristics of the team that were exemplified to the fans and opponents were hard hitting, never-quit-attitude, quick, and exciting.

Adams City and Ranum placed 8 on the All-Conference team; Northglenn 6; Westminister 5; Thornton 3; Regis 1.

The offensive All-Conference are Kevin Townley at end, Dave Pleasant at halfback, and Dwayne Pecosky at guard.

The defense All-Conference were Jeff Wolfe at cornerback, Dwayne Pecosky and Clay Coffman at linebackers, Mark Lott at end, and Roger McWhirt at tackle.

The team got off to a slow start with a loss to Lamar and finished strong to capture 3rd place in League and have Debbie Polic, Karen Brown and Leise Dall win All-Conference honors.

The team also had losses to Northglenn, Broomfield and Ranum in League competition. Skyline victories included wins over Westy, Mapleton, Brighton, Highland and Thornton.

The team could be remembered as a group of hard workers who showed much improvement and had very strong senior leadership.

High School Tennis was a success this year. By this I mean, we had twenty-four young men who played for the high school this year. Mr Gilas was hired to help the tennis team. His players had 5 wins and a 1 loss record, which was the best in the Skyline League. The first nine players ended up sixth in league with the first set of doubles (Moore-Duran) taking fourth in the district, and the third set of doubles (Reiber-Mascrenas) also took a fourth in district.

Next year we will have all the boys back to play tennnis this last season

WHAT IS A FRIEND?

WHAT IS A FRIEND? I WILL TELL YOU IT IS A PERSON WITH WHOM YOU DARE TO BE YOURSELF. YOUR SOUL CAN BE NAKED WITH HIM. HE SEEMS TO ASK OF YOU TO PUT ON NOTHING, ONLY TO BE WHAT YOU ARE. HE DOES NOT WANT YOU TO BE BETTER OR WORSE. WHEN YOU ARE WITH HIM, YOU FEEL AS A PRISONER FEELS WHO HAS BEEN DECLARED INNOCENT. YOU DO NOT HAVE TO BE ON YOUR GUARD. YOU CAN SAY WHAT YOU THINK, SO LONG AS IT IS GENUINELY YOU. HE UNDERSTANDS THOSE CONTRADICTIONS IN YOUR NATURE THAT LEAD OTHERS TO MISJUDGE YOU. WITH HIM YOU BREATHE FREELY. YOU CAN AVOW YOUR LITTLE VANITIES AND ENVIES AND HATES AND VICIOUS SPARKS, YOUR MEANNESSES AND ABSURDITIES AND, IN OPENING THEM UP TO HIM, THEY ARE LOST, DISSOLVED ON THE WHITE OCEAN OF HIS LOYALTY. HE UNDERSTANDS. YOU DO NOT HAVE TO BE CAREFUL. YOU CAN ABUSE HIM, NEGLECT HIM, TOLERATE HIM. BEST OF ALL, YOU CAN KEEP STILL WITH HIM. IT MAKES NO MATTER. HE LIKES YOU-HE IS LIKE FIRE THAT PURGES TO THE BONE. HE UNDERSTANDS. HE UNDERSTANDS. YOU CAN WEEP WITH HIM, SIN WITH HIM, LAUGH WITH HIM, PRAY WITH HIM. THROUGH IT ALL-AND UNDERNEATH-HE SEES, KNOWS AND LOVES YOU. A FRIEND? WHAT IS A FRIEND? JUST ONE, I REPEAT, WITH WHOM YOU DARE TO BE YOURSELF.

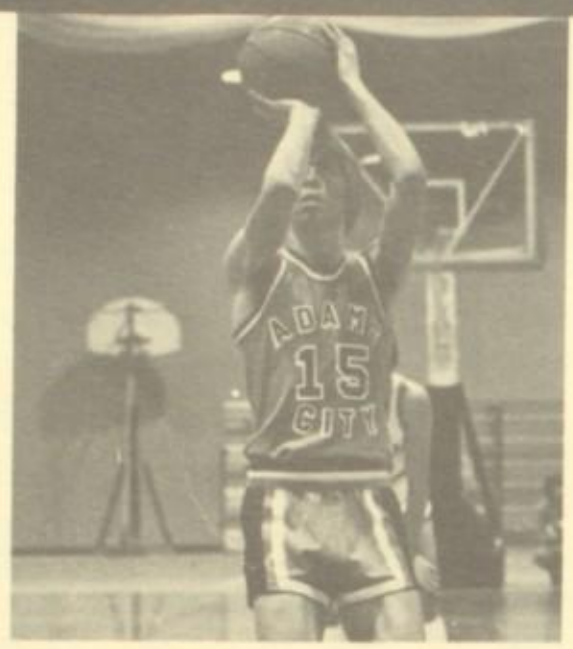
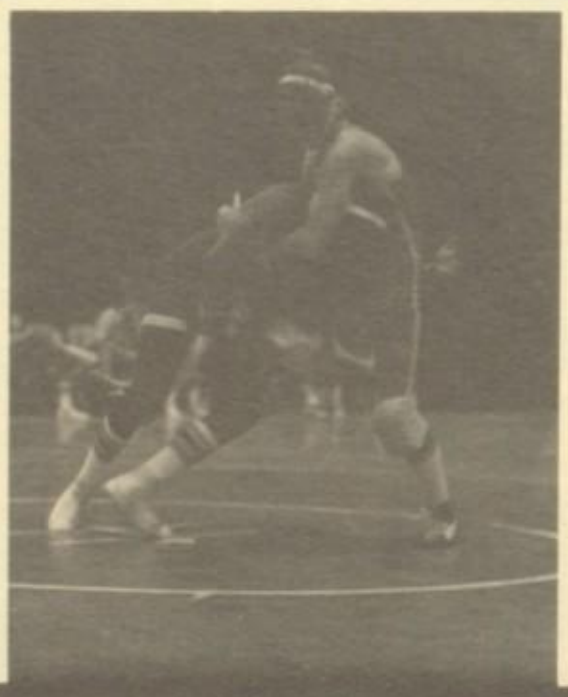
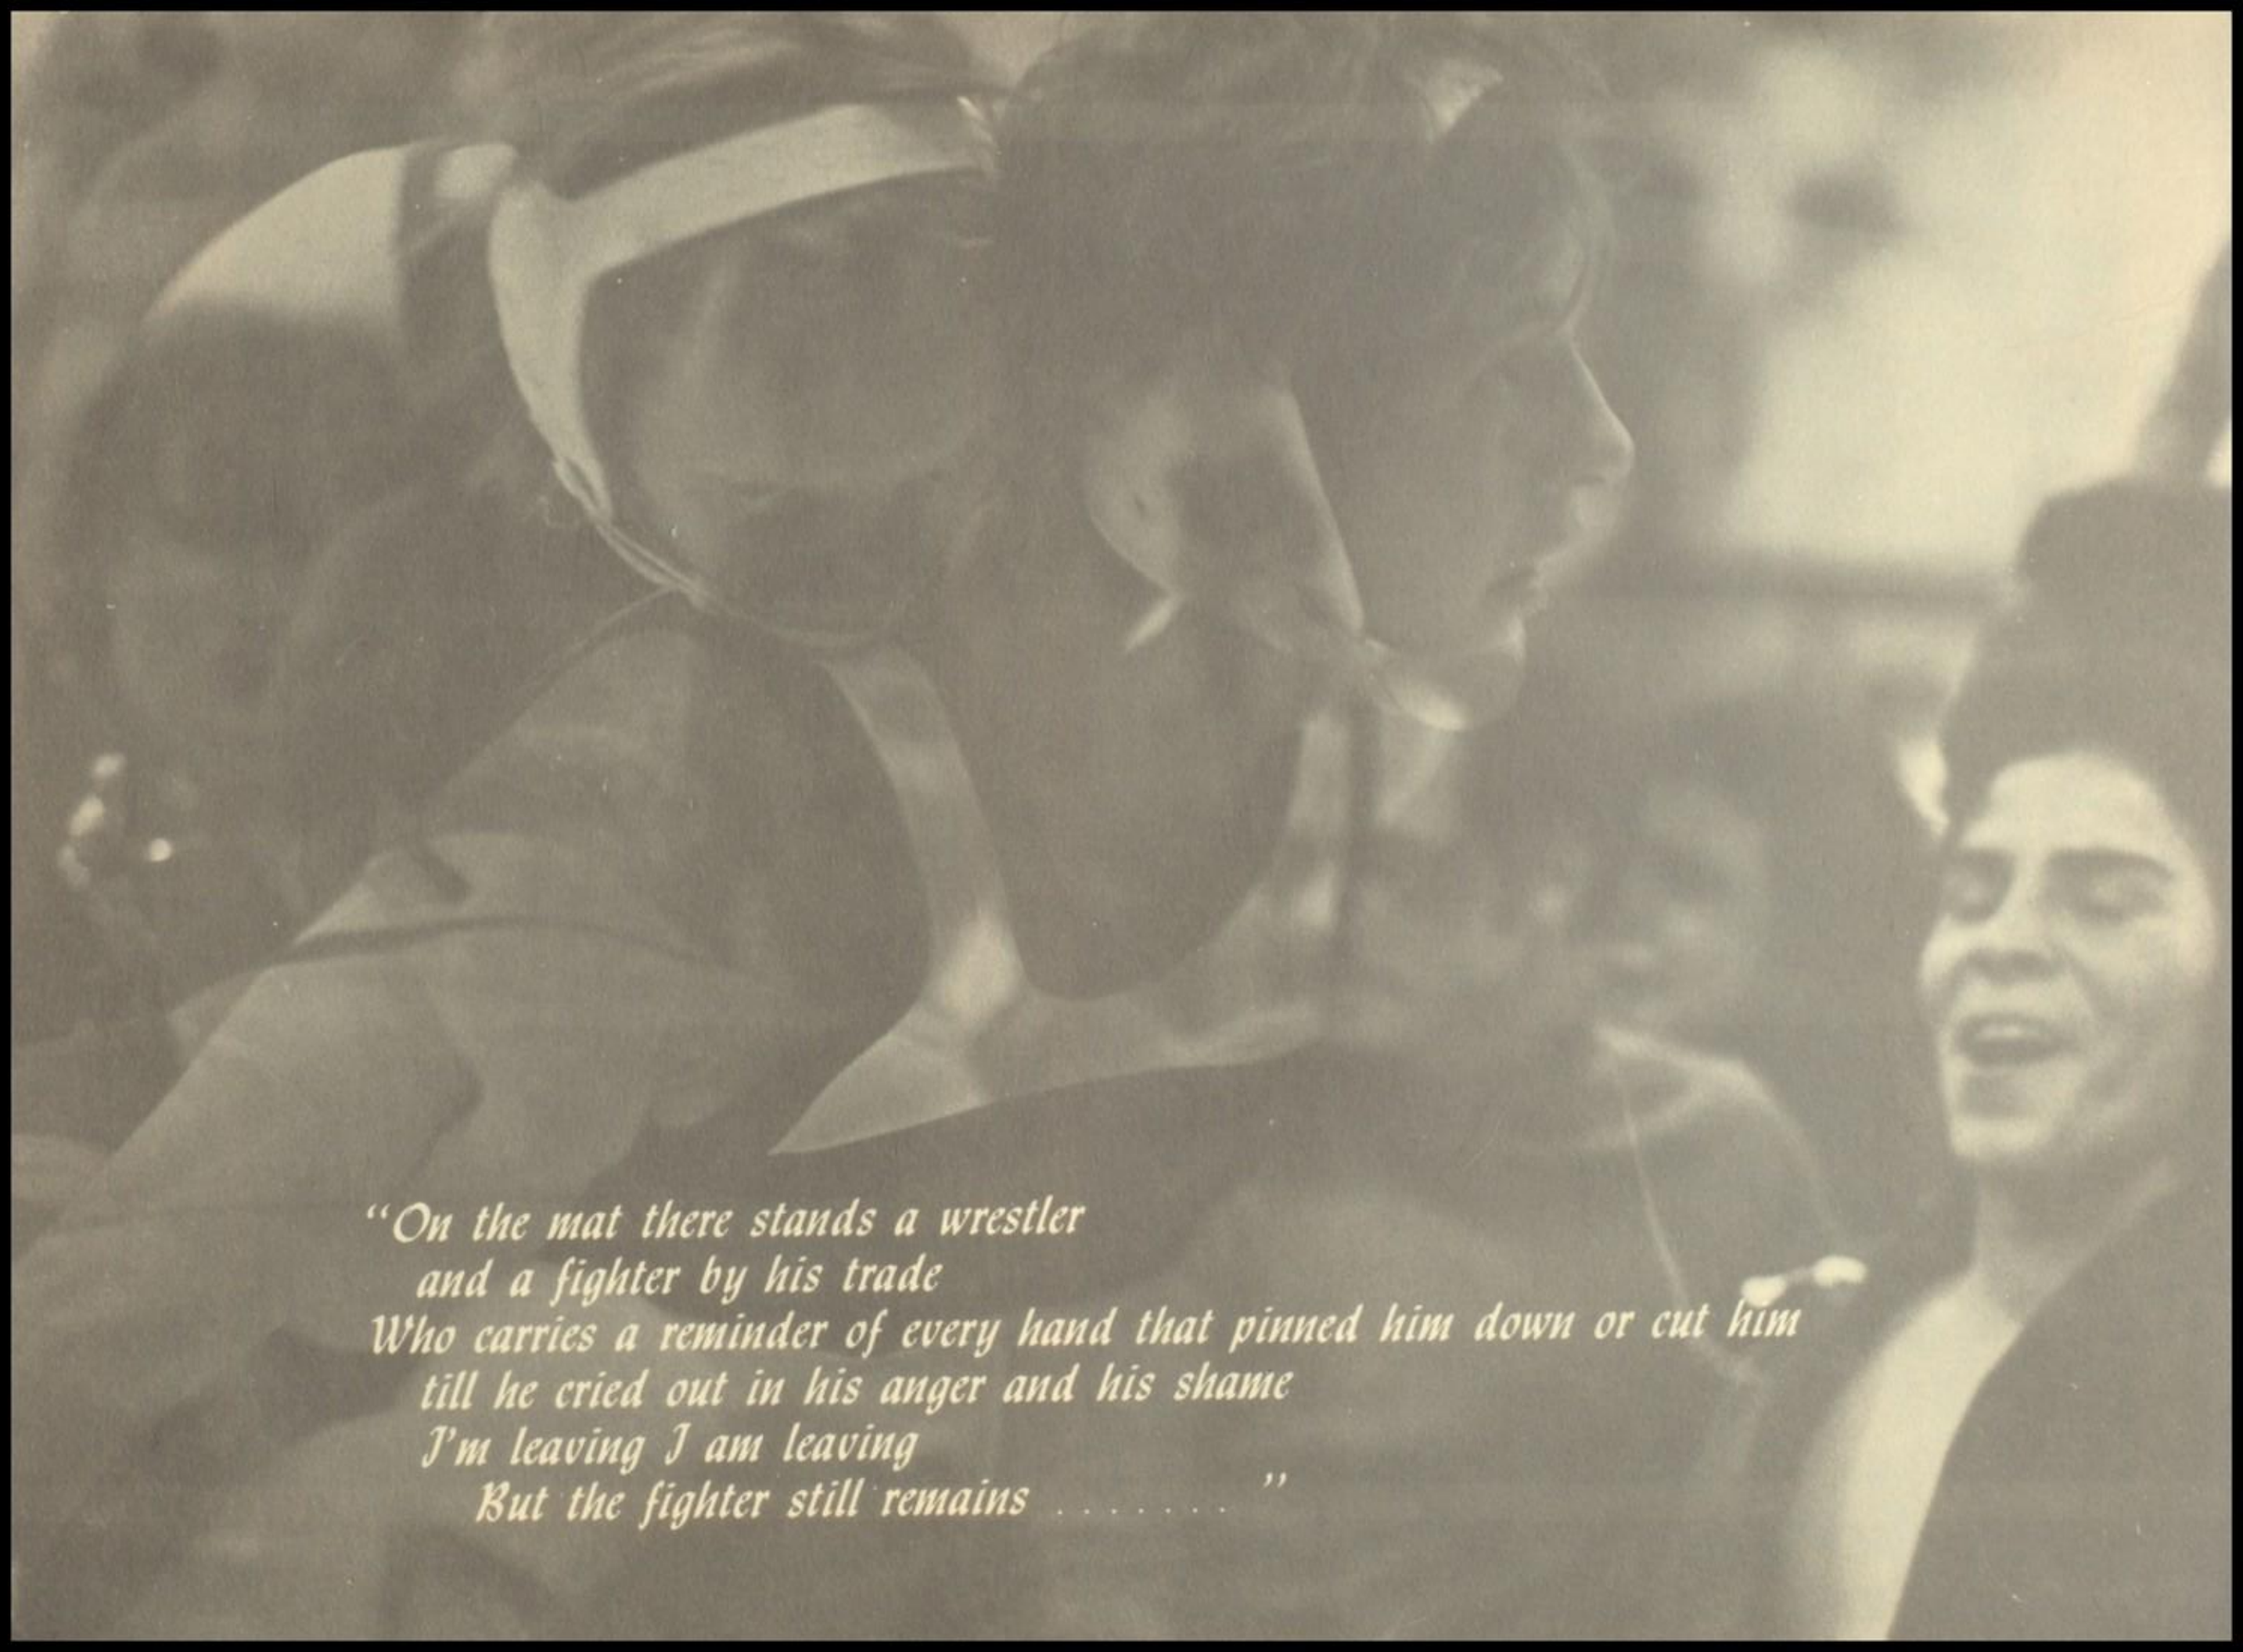
WINTER SPORTS







"On the mat there stands a wrestler
and a fighter by his trade
Who carries a reminder of every hand that pinned him down or cut him
till he cried out in his anger and his shame
I'm leaving I am leaving
But the fighter still remains . . . . . "

They Relinquished Their Crown But They'll Be Back

TOP ROW-L TO R: Glenn Aikiyama, Ken Romero, Andy Dorrance, Leonard Solano, John Ortiz, Tito Padilla, Jeff Wolfe, John Scaff, Dave Pleasant, Mark Lott, DeVon Cutrell, Dwayne Pecosky BOTTOM ROW: Sandy Maestas, mgr, Charlotte Gonzalez, mgr, Coach Wathen, Joe Deaguero, Jim Vigil.

This year's varsity wrestling team under the direction of new head coach, Bob Wathen, had a good season.

Their season record was 10-1, with their only loss going to Thornton.

"The team was really young this year, the only two wrestlers who have had previous state experience were John Ortiz, senior and Dwayne Pecosky, junior." commented assistant Coach Joe Gilas.

The Eagles tied with Ranum for the Skyline League Championship but when they edged past the Raiders by ½ point to take the district title they were given the first place league trophy also.

Seniors, John Ortiz (125 lbs.), and Jeff Wolfe (138 lbs.), took third place in districts and Dave Pleasant (155 lbs.), also a senior took second place.

While sophomore Andy Dorrance (112 lbs.), juniors Leonard Solano (119 lbs.), and Dwayne Pecosky (heavyweight), and seniors John Scaff (145 lbs.), and Mark Lott (167 lbs.), were all crowned District Champions at their weights.

They qualified six wrestlers for state. Dorrance, Solano, Scaff, Pleasant, Lott and Pecosky.

Dorrance finished second in state and Solano and Pecosky finished sixth. Over all the team finished twelth in state.

The Coaches are looking forward to a good season next year because of the strength of their returning wrestlers.

TOP ROW, L TO R: Coach Jon Ruby, Gerry Myhre, Rod Dudley, Alan Trudell, Mike McGraw, Chris Jo Johnson, mgr BOTTOM ROW: Erica Tauche, mgr, Steve Phillips, Terry Norwood, Greg Nuss, Kelly Saylor, mgr.

The Adams City Swim Team ad a losing season this year, but many good things came out of it. All of the swimmers will be returning next year and the team has one of the best divers in the league Sophomore Greg Nuss. Coach Ruby said he isn't used to a losing season but everyone on the team was inexperienced and they all improved over the season. Coach Ruby hopes that the team will get in lots of practice between now and next season and he hopes that the next Adams City Swim team will be able to pull out some victories. He would also ike to thank the students who helped run the meets.

We're Building A Future

Row 1: Stacey Little, Paul Archuleta, Ruby Bills mgr., Donna Finn mgr., Joe Zepeda, Robby Blum, Lige Lewis mgr. Row 2: Kevin Hendrixson, Bob Jajdelski, Jerome Gallowa, Greg Zink, Coach Tom Maguire, Coach Wes Madrill, Tom Federico, John Rhodes, Wayne Croft, Eddie Gonzales.

The varsity record was 1 win and 18 losses. The season simply was reduced to the fact that Coach Maguire used basically the majority of the season 3 seniors, 4 juniors and 4 sophomores.

"I was especially impressed with the play of the younger players, and apperciative of the leadership provided by Kevin Hendrixson, Stacey Little and Bobby Jajdelski."

Another senior, Tom Federico was injured during the last month of the season and was unable to finish-although he did letter.

Little and Jajdelski received votes for the Skyline League All-Conference Team. Little finished ninth in the Skyline League scoring race and Jajdelski twelth in rebounding.

"The future of ACHS basketball looks bright due to the fact that we have so many young players returning for the next two years."

Student Council is a group of students who represent the student body of ACHS. The council Consists of four officers and six representatives from each class plus co-presidents, a secretary, and a treasurer for the Student Council. In addition to representing the student body the council promotes school activities, facilitates communications; acts as a liaison with faculty and administration, and works toward a positive school climate. The council functions as part of a leadership training class.

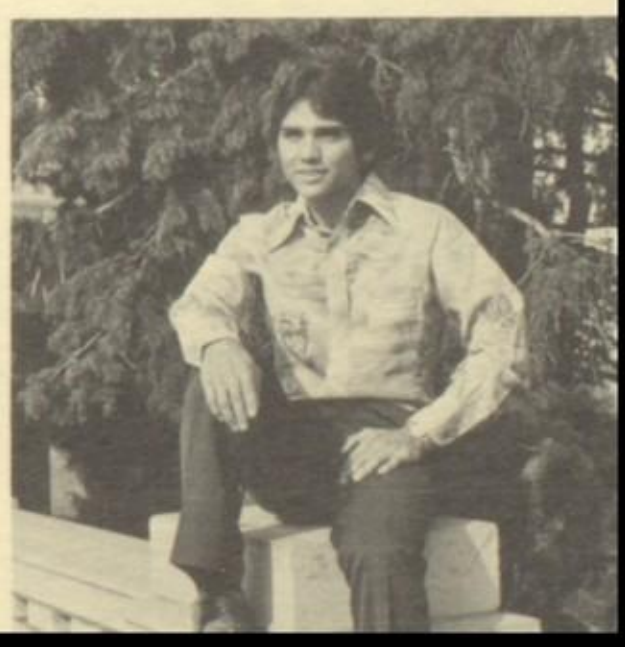
"You can be successful only if you try," is Tom's philosophy.



We Did It

Time is growing short. In a few more months we'll be walking down the halls and out those doors for the last time. Looking back we can remember how scary it was to be a sophomore.

Everything seemed so big and there were all those people! We soon overcame our shyness though and changing the '76 on the field house roof to a '78 was a cinch.

Our first Homecoming game was a loss but at least we beat out the seniors in the float competition with a second place. That was the sorriest looking Eagle, everybody thought it was a chicken.

We forgot to thank Frank for getting us the trailer bed and finding us a place where we could build our float, but not intentionally. The "Thank You" just sort of got lost in the chaos.

The Girls volleyball team took third in state that year and we were known for having the biggest mouths after we won the Christmas Caroling Contest.

There was a lot of fun and laughter along with all the burnt pancakes and campfires on our Biology field trip even though half of us got snowed out.

We crack up laughing when we recall our sophomore picnic and the tickets some of the guys got for illegal use of "grass". It wasn't quite as funny then.

The seniors of '76 were a little annoyed that the fieldhouse kept getting repainted so they decided to give some of the guys a bath ... in manure.

We were considered one of the rowdiest sophomore classes to come along and boy were they right.

Who could have imagined the summer would go by so fast? Before we knew it we were back again, only this time we were juniors and nothing was new any more.

If they thought we were rowdy sophomores, were they in for a surprise.

A three inch water level was maintained throughout the halls, (especially in South building otherwise known as Junior Hall), by that certain group of guys who had volunteered themselves as AC's amateur Fire Department.

'78 was kept on the field house almost all year long despite the seniors efforts to change it. But then they finally figured out who was really boss.

We lost our Homecoming game again but walked away with the float competition with our American flag. For the second year in a row they cheated us out of first place in the wagon race even though we won it fair and square. Oops! We forgot to thank Frank again.

We held a New Year's Eve party at Rosehill Cemetery. Needless to say there were a lot of lively conversations with tombstones that night.

Our wrestlers snatched up the State, League and District titles to be crowned the undefeated and undisputed triple A 1977 State Wrestling Champs.

Two unidentified persons of the male species provided some excitement from the winter blahs when they streaked through Scotti's one evening.

The "Eagle Eye" had everybody up in arms and having hysterics when they put out an April Fools issue.

Along with spring fever came one of the most well planned Junior-Senior Proms ever. And on Color day all the fire extinguishers were missing. We always wondered who "borrowed" them.

Graduation came up quickly and despite all our teasing there were a lot of good friends of ours who were leaving and who we were going to miss.

Most of all though, for the first time ever in all our school years our class was one instead of many.

Our Way

Well, we'd finally made it! Seniors at last!

We came back to a school that was under heavy construction and got the shaft instead of the elevator. We didn't have a hall and they kept moving us to different lockers, rooms and buildings. It didn't matter too much about our lost hall because everybody knew who the Seniors were.

The Fieldhouse roof was continually dominated by a '78.

The Homecoming assembly set a lot of administrators ears to burning when class yells turned to skidrow chants.

For the first time in four years the Seniors won the class float competition and the Eagles stampeded by Central Catholic, 41-0 to break a six year losing streak. And you quessed it. We forgot to thank Frank again.

We got introduced to student coordinators and a phrase often heard was, "It's ok. I'm a Senior."

Due to the fact the administration cancelled the traditional Christmas assembly the student body had a walk out in it's place.

An event that will change the course of history happened when almost everybody in Denver got the "Fever", or as it is more commonly known, Broncomania. After 17 years of frustration and losses the Broncos made it to the Superbowl.

Graduation plans were under way as early as December and although we continually heard, "This is your graduation.", we had to fight to get it done the way we wanted. We reinstated the Baccalaureate Service and we'll be presented with a Senior slide show the night of graduation.

We introduced another tradition when Sadie Hawkins Royalty was announced at an all school assembly. But the biggest surprise came at the dance when a live turkey was raffled off to unsuspecting victims.

Our varsity basketball team broke its 27 game losing streak when they beat Central Catholic.

Our wrestlers were crowned 1978 Sky line League and District Champions. They had a tough schedule and although they came on strong by qualifying six guys for state, the winds of fortune blew the other way as the Eagles watched Grand Junction Central take the 1978 State Championship.

We cut more classes, had more adventures, got more emotional over little things than ever before and we repeatedly asked time to stop flying by. And sometimes like a bolt of thunder, it hit us: we realized this was the last time the class of 1978 would be together as one. Other times it was so soft and unbelieveable it seemed like nothing but the wind whispering through the trees.

We set out to make it the best year ever, despite all those obstacles and we did. Because we did it our way.

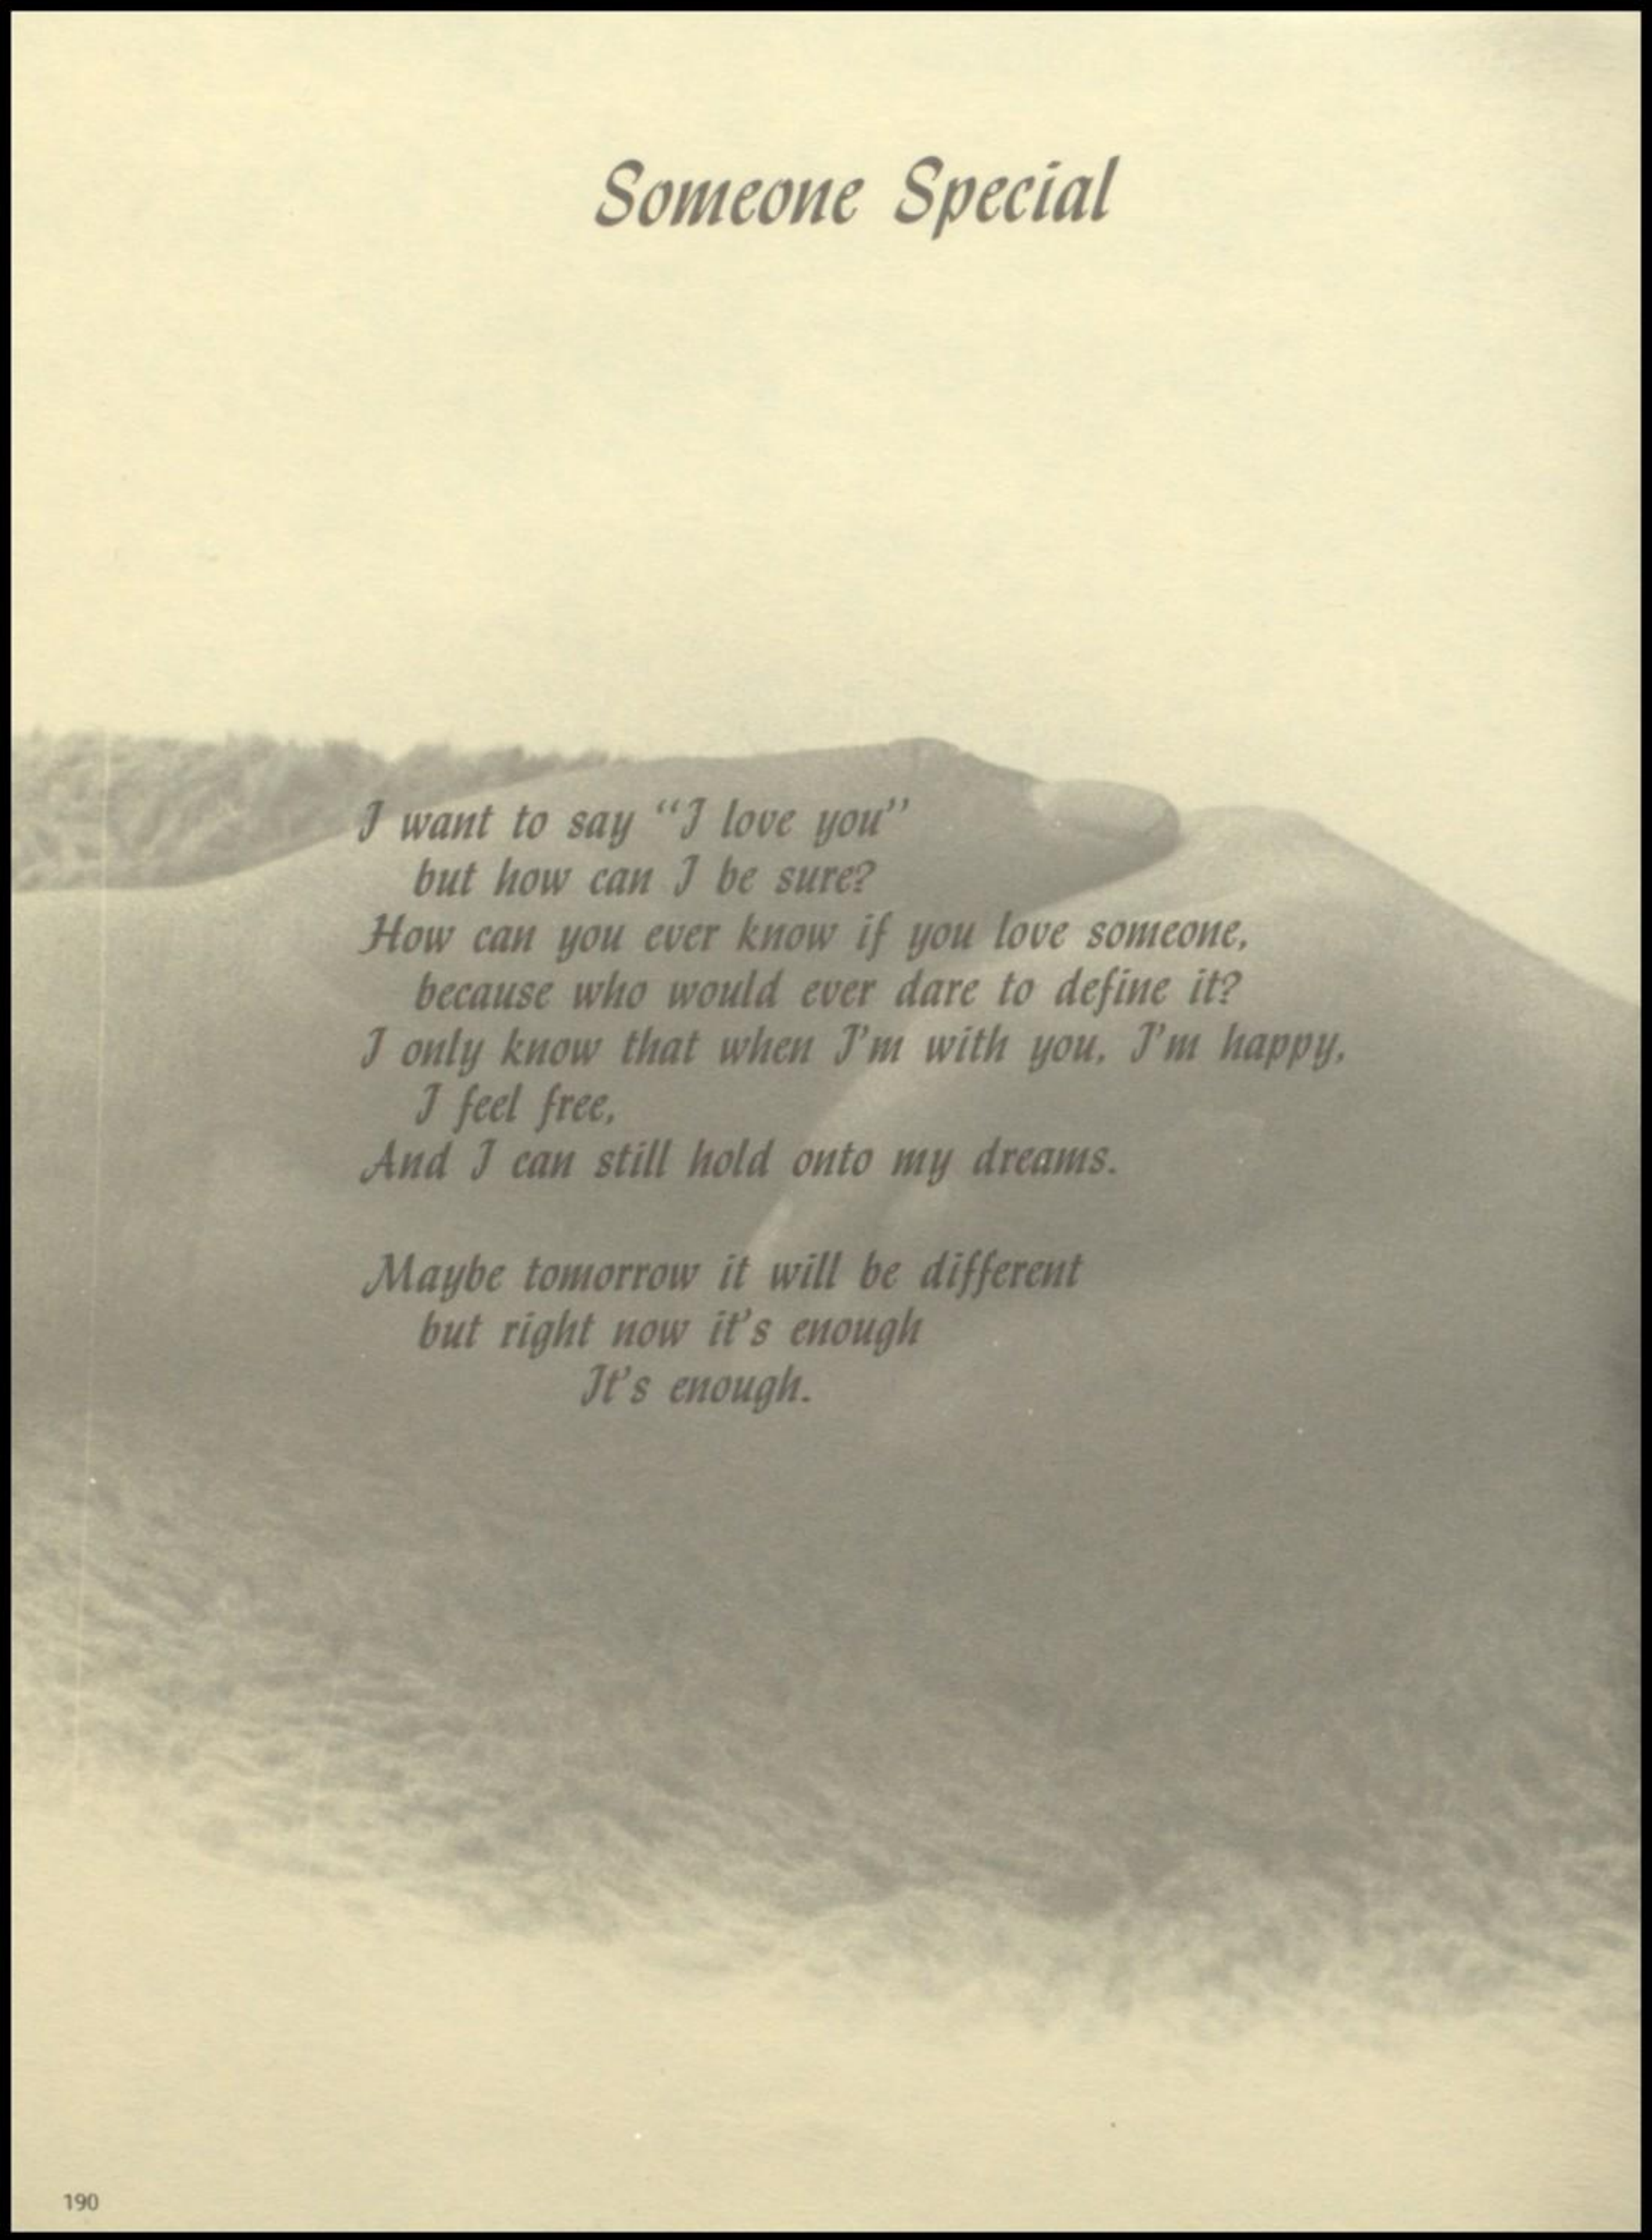
Someone Special



I want to say "I love you"
but how can I be sure?
How can you ever know if you love someone,
because who would ever dare to define it?
I only know that when I'm with you, I'm happy,
I feel free,
And I can still hold onto my dreams.

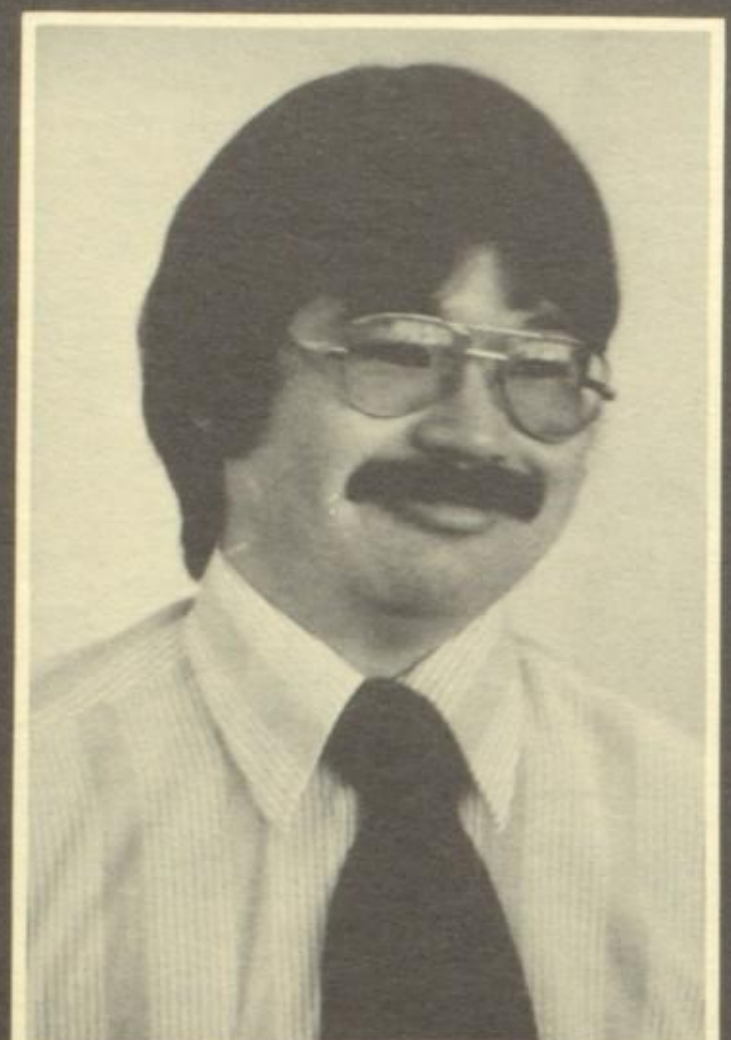
Maybe tomorrow it will be different
but right now it's enough
It's enough.

Senior Farewell

"A person's dream
is not important
because it does
or does not happen,
but because
it could . . . . . "

G. Betts

Thank You, 'Kawa'



There have been a lot of people who have helped us come this far and who have made the journey worthwhile but there isn't enough time and space to thank them all. There will always be faces though who stand out amongst the crowd and "Kawa" you're one of them.

After being with part of us in the ninth grade you caught up with all of us as Seniors and set about capturing this very special year for us on film.

We wanted to thank you.

This is a time in our lives we'll always remember. We hope you will too.

Much love always,
the Senior Class of 1978

I wanted to write you a poem
so I sat here remembering.
One memory always led to another
until my mind was overflowing.

I wanted to paint you a rainbow
of a million different colors.
But the day was warm and sunny,
I went bike riding instead.

I wanted to sing you a song of tears and laughter
but I was experiencing.
Too busy to try and hold the feelings
for they could never be captured.

So I guess this poem will go unwritten,
this rainbow unpainted,
this song unsung.

I only hope that you will understand.
Words seem so inadequate.
I only wanted my poem, my rainbow, my song
to say, "I love you".
And to come journey with me
because the next moment will be better.

Construction Mixes With Memories

It's impossible to look back on this year with out having the construction come to our minds. After all it met our eyes everyday.

After the bond issue was passed construction began at the high school in the summer and has continued on throughout the fall, the winter, the spring ..... Gone were the trees and the flowers and that big area of lawn between East and Main building where we spent many days laughing, soaking up the sun, playing frisbee and just taking it easy.

We often despised all the changes and hassels we had to go through because of all that building, tearing down and rebuilding. But we muddled through somehow and still managed to have a lot of fun.

Days were spent dodging fork lifts and semi-s and if you hadn't signed up for a PE class this year chances are you still kept in shape because of all the obstacle courses you had to run. We sometimes even had to travel to the outer regions of earth just to get to class.

But all in all we had a pretty good time because life still went on, and so did we.

We still built our Homecoming floats, made plans for graduation, prom, Sadie Hawkins and the countless other things that made up our school year.

Our football team had one of it's best seasons ever with a record of 5-4 and even though the basketball team only won one game, at least this year they were playing as a team. Even though they didn't take state the wrestlers took first in league and districts.

We had some new sports come to the high school in the form of boys and girls soccer, boys gymnastics and girls swimming, along with a new flag corps and a new club called CHE who sponsored a talent show, something that hasn't happened around here in a long time.

That crazy "orange fever" that struck Denver also struck us. So when a parade was held for the Broncos the Friday before they left for the superbowl (the first time in 18 years,) it wasn't surprising that much of the student body was down there taking pictures, getting autographs and kisses or maybe just watching.

The mysterious RRR appeared and started a protest movement to stage a walk out because our traditional Christmas assembly was canceled and walk out we did.

We still had assemblies and dances. And we still loudly proclaimed which class was better.

We didn't stop supporting our athletes. We still cheered over our victories and cried over some of our more painful defeats. We never stopped believing that we were the best high school students around despite all the bad publicity we got at the beginning of the year. And we never once stopped laughing, crying and carrying on in order that this year would be remembered always despite everything. No, never once did we stop living.
